

On behalf of the members of the Pullman Fire Department, I would like to welcome you to our official website. Whether you are visiting for business or for pleasure, our goal is to provide information about our organization that is interesting and helpful. We hope that you receive insight into our department and the services that we are delivering to the community.

The department proudly serves the residents of Pullman, a diverse, vibrant and progressive city that is home to Washington State University. We also provide medical transport services to Whitman County Fire District 4, 12 and the City of Palouse. Pullman Fire Department utilizes a combination of career and reserve firefighters to efficiently deliver a broad range of services to the residents.

The fire department would like to offer our appreciation to the citizens of our great community for the generous support they provide us each and every day. We would love to hear from you if you have any questions, suggestions or would like further information on any of our programs or services. Please do not hesitate to contact us.

Yours for a safer community,

Mike Heston, Acting Fire Chief
